Whereas it appears to the Board of County Commissioners that there is a large amount of outstanding personal property taxes that have been delinquent for more than one year listed on the Treasurers Books of Charles Mix County, which said taxes have not been put into judgements and that justice to said County, its school districts, Townships, Cities, Town and the State of South Dakota, requires the collection of said taxes.

Skillings, of Charles Mix County, for the collection of all personal property taxes on the list of taxes in the said Treasurers Office that have been delinquent for more than one year, as provided by Chapter 45 of the Laws of the State of South Dakota enacted at the 1905 session of the Legislature of South Dakota and that they be paid for collecting said taxes thirty per centum of the amount collected by them for such services; and that they collect all such delinquent taxes, and that in the event they fail to collect such taxes from the persons listed as owning same that they furnish verified report as to why such persons taxes cannot be collected, that all taxes collected by them be remitted to the County Treasurer of Charles Mix County, upon collection, and that the percentum that shall become due said Tipton and Skillings be ordered paid at the subsequent meeting of the Board of County Commissioners.

That a contract, the form of which shall be approved by the States Attorney, signed by the Chairman of the Board and attested by the County Auditor in pursuance of this resolution.
