The Board of County Commissioners convened in session at 9:00 o'clock a m with all members present: Thaler, Pranger, Chairman Blankenhagen and Auditor Irene Stork.

Mr John Patocka appeared before the Board and called the attention of the Board to an apparent incorrect description contained in its minutes of October 2, 1951. For the purpose of preserving the record, the following comment is deemed necessary: On September 14, 1951, 28 electors of White Swan Common School Districts numbered 3 and 4, petitioned the Board of County Commissioners to hold a hearing upon removing or excluding the SE $\frac{1}{4}$ of 15-96-66 from District No 4 and including the same in District #3. It appears from the last county atlas that the buildings on said quarter are situated in the NE $\frac{1}{4}$ of the said SE $\frac{1}{4}$, but the buildings were then and now are located in the SE $\frac{1}{4}$ of Said SE $\frac{1}{4}$. The action taken by the board favored this change in the district, but it appears that the board decided to make the change as to a forty of said tract rather than the entire quarter section. It is now noted that the Clerk, in preparing the minutes of the Board Meeting apparently used the atlas and made the exclusion from Dist# 4 and the annexation to District #3 of the wrong 40 acre tract. The minutes show that the premises were described as the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$, instead of the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$, the latter being the place where the buildings are located. It further appears that the children of the families living on said SE $\frac{1}{4}$ of SE $\frac{1}{4}$ were thereafter duly assigned to said School District No 3.

It was moved by Mr Steve Thaler and seconded by Mr John Pranger that the minutes of October 2, 1951 be snd that they are hereby amended to show that the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of 15-96-66 be excuded from the Common school district, then known and numbered 4, and included in the school district then known as District No 3; and that the said NE $\frac{1}{4}$ of the SE $\frac{1}{4}$, as afresaid remain in the common school district then numbered 4; and that the office of the County Assessor correct its records to be effective as of January 1, 1961. Motion carried. S/ Otto Blankenhagen, Chairman of the Charles Mix County Board of Commissioners.

The remainder of the day was spent in checking Road Plats.

Mrs Lewis Rada, Teacher in Moore School District #1, brought her pupils to visit with the Board of County Commissioners and other Official Offices in the Court House.

Pursant to the resolution passed by the City Council at their Special meeting held February 14, 1961, the Mayor requested the Board of County Commissioners to direct the County Treasurer to collect all delinquent personal and real estate property taxes from the residents of the City of Geddes and former residents who have removed therefrom and residing in the State by issuing distress warrants and to take tax deeds to real property, to satisfy past tax levies. States Attorney, Paul A Kern, was also present.

Following is a copy of the Resolution as printed in the Charles Mix County News paper March 16, 1961: WHEREAS, The Mayor and a delegation of Councilmen of the City of Geddes, South Dakota, met with the Board of Charles Mix County Commissioners, the County Treasurer, The County Sheriff, and the States Attorney, on Tuesday, March 9, 1961, for the purpose of discussing ways and means of collecting delinquent taxes due the City of Geddes, and WHEREAS, it was suggested at this meeting that a plan be worked out by the Council, whereby the City Mayor would be authorized by the City Council to contact any person who owns property in Geddes upon which taxes are delinquent to determine whether or not he would be willing to deed any such property to the City or to the County, as an economy measure for the City and County, in lieu of proceedings as provided by statute for collection of delinquent taxes, BE IT RESOLVED: That the City Mayor contact all tax payers and property owners within the City of Geddes, as directed by the City Council, to determine whether or not they would be willing to deed delinquent tax property to the City of Geddes, or to Charles Mix County, thereby saving tax sale expenses. BE IT FURTHER RESOLVED: That the City of Geddes is not interested in depriving any property holder of his property, but that collection of levied taxes from all property owners is mandatory if the tax burden of the City and County is to be equitably distributed as provided by law. The above resolution was offered by Councilman Closson and upon second by Councilman Long, was declared unanimously adopted upon roll call vote of the Council, at a special meeting of the Council on Friday, March 10, 1961. All members present, Also City Attorney Schreyer. Charles Oleson, Mayor.
