Lula Laska asked that valuation of lot 5 Block 16, City of Lake Andes, assessed at 2300.00 be lowered. After inspecting the property the board voted to leave the assessment at 2300.00.

Mrs Earl Light appeared before the board and asked for a reduction in the assessed valuation of Lot 11 Block 18, City of Lake Andes. Board agreed to inspect the property before making any decision.

After much discussion it was moved by Carda, and seconded by Svatos, that all grazing land along the river front, and numerous structures and real estate in the cities be re-evaluated by the next assessment date; that the Director of Equalization along with the Commissioners will personally inspect all properties in question, that all grazing land now assessed less than 10.00 per acre be raised to at least 10.00 per acre. Motion carried.
