RESOLUTION OF ADOPTION OF SUPPLEMENTAL BUDGET.

WHEREAS the Board of Charles Mix County Commissioners has determined that the various budget appropriations for the year 1969 are insufficient to enable the county to conduct the indispensable functions of the government through its GENERAL, ROAD & BRIDGE, AND SALARY funds, and WHEREAS this condition has arisen for various reasons, such as uncommon weather conditions and excessive snow; change in pay scale of the deputy sheriff, clerk in treasurer's office, and the Veterans Service officer, and other estimated expenditures are not sufficient due to unforeseen circumstances due to higher cost of materials, also the retirement program was adopted during the month of July and no provision was made for the County share when the 1969 budget was adopted, WHEREAS it is the lawful duty of the county to discharge such obligations, and the County Commissioners deem it necessary to adopt a supplemental budget as provided in the 1960 Supp. of SDC 12,008 and, THEREFORE, be it RESOLVED that the notice of intention to make and adopt a supplemental budget as provided by law, stating the purpose, object, and item appropriated for each item, and the anticipated reimbursement to the county, the time and place when supplemental budget will be considered by the board of County Commissioners of said county, before being adopted, be given by posting a true copy of said supplemental budget on the bulletin board at the North entrance of the Court House at least ten days prior to the hearing, and that the said Resolution and notice be published in the official newspapers of the county once a week for two consecutive weeks prior to said hearing. Svatos moved the adoption of the foregoing Resolution, and Carda seconded it. Upon roll call all members voted in favor. Dated at Lakes Andes South Dakota this 15th day of August 1969.
