Jim Foster of Dept of Interior Fish and Wildlife Service met with the board for approval of the purchase of N $\frac{1}{2}$ NE $\frac{1}{4}$, SWNE $\frac{1}{4}$ section 9-97-64. Shared revenue in lieu of taxes in the amount of \$405.00 would be returned to county for next five years. New appraisal made at that time. Taxes this year are 254.32. An interested group appeared to voice disapproval on the grounds of alleged neglect in care of property owned by Fish and Wildlife. In view of the fact that there is a law suit in the courts at present to determine ownership, jurisdiction and maintenance the commissioners upon the motion by Carda voted to disapprove the sale and recommended the governor do like wise.

The Commissioners signed a lease with the Senior Citizen Center of Lake Andes to let for a period of two years commencing on July 1, 1976 and ending on June 30, 1978 the following described property lot 7 block 19 in original town, Lake Andes. No cash rent or any other type of consideration to be advanced by the Senior Citizen Center.
