RESOLUTION:

Commissioner Bruce Bakken introduced the following Resolution and moved its adoption, and WHEREAS, it is the understanding of the Board of County Commissioners that there will be certain 2415 land claim lawsuits affecting real estate in Charles Mix County and, WHEREAS, it appears that there will be no immediate resolution of these cases by moving forward with a typical suit because the U.S. Attorney desires to evaluate each suit individually before any commitment can be made as to time of trial, and WHEREAS, the Charles Mix County Board of Commissioners has informed the various Boards concerned that they believe it is still in the best interests of the Counties to cooperate and work together in resolving these problems, and WHEREAS, the States Attorney of Charles Mix County agrees that this can best be accomplished by continuing the joint arrangement with Tobin Law Offices, as mutually supported by the efforts of the Attorney General's Office, and WHEREAS, the original commitment by Charles Mix County ended as of May 31, 1983, and WHEREAS, it is deemed advisable that each county have land owners meetings to receive and review the Attorney General's Report and to meet with the Attorney General and Governor at their convenience, and WHEREAS, the pro rata share of Charles Mix County should be established for the next seven (7) months so as to properly monitor and defend 2415 land claim lawsuits, and WHEREAS, Charles Mix County has expended all funds budgeted for the current fiscal year. NOW, THEREFORE, BE IT RESOLVED that Charles Mix County will continue to cooperate and otherwise participate in the joint multiple county effort regarding such 2415 claims; but does not hereby commit any further funds or monies for the current fiscal year. Nothing herein shall be construed so as to prevent such pecuniary contribution in the future as may be determined by the Board in its discretion. Commissioner Albert Soukup seconded the motion for adoption and upon roll call vote, all Commissioners voting aye, the Resolution was declared adopted.

Dated this 21st day of June, 1983.
